Today in the Ausseerland

Boulderbox Bad Mitterndorf

Bouldering is climbing without a rope or harness at jump height on rock faces or indoors. In the climbing box, there are six abseiling points with color-coded routes and a bouldering area with difficulty levels from three to ten. A campus board helps with finger strength training and a 30 cm thick mat on the floor ensures safety.

Museum of Literature - Altaussee

The newly designed Altaussee Literature Museum presents prominent figures from literary history and fascinating originals such as the Herzl bicycle and Torberg's voice. The local history and the cabinet of curiosities by Prof. Horst K. Jandl have been uniquely added to. A highlight for literature lovers, with English display boards and a bookshop for suitable reading.
